Placement	1.	2.	3.	4.	5.	6.
Score	100	75	50	25	15	10

Exceptions:

- Only the best placed crew of a single club in each heat receive points.
- If for one race entries come from one club only, race will not be rated.
- Combined crews (from different clubs) will be rated according to the percentage of competing members of each club.

The race will be held according to the Rules of racing by Rowing federation of Slovenia and FISA. The organization Committee is imposing some additional restrictions:

- By entry, clubs confirm that their competitors are able to swim and are medically examined.
- All entries must contain the year of birth.
- Boys and girls born in '04 and younger are allowed to compete with blades of Macon type.
- Restraints hold for next categories of competitors:
 - Kids (BOY, GIRL) '05 and younger may compete only once
 - Boy and girl '03-04, Junior B (JM16 and JW16) and Junior (JM, JW) may compete only twice.
- There are eight (8) starting positions without pontoons (flying start). In the case of more than 8 entries for a race, crews will be divided by draw into several groups. Each group will receive medals separately.
- Cups based on the final summary of points will be given together with medals after the race in front of the RC ARGO.
- The race of OPEN eights is open for mixed teams, regardless of category.
- Every competitor is participating at his own risk. The organization Committee is not taking any responsibility for any losses, damage or injury. Every competitor is responsible for his own health and has to be physically and conditionally prepared for the race.
